The important stuff

- Sessions carry over from week to week. That means if you're signed up for 2 sessions per week, you can actually attend 8 sessions at any stage throughout the 4 week cycle.
- Participation is on a first in, first served basis. Bookings are essential and conducted online.
- A new cycle commences every 4 weeks.
- Participants may register via upfront payment or on a Direct Debit. Direct Debits will occur on a weekly basis with your first payment due upon registration. Minimum term is 3 payments (advance payment at registration +3 weeks = 1 full program). Further information is available from Reception when signing up for the program.
- The Program Timetable may be subject to change and will be reviewed and updated as required. It will not change midway through a program cycle.
